

CHAMPAGNE

DRÉMONT MARROY

LES ENFANTS DE LA VIGNE

Les Rosiers

VINTAGE 2020 - ROSÉ
EXTRA BRUT - PARCELS SELECTION

Les Rosiers : *The historical guardians of vineyards. Rose bushes still bloom by some of our oldest vines.*

The yield of our Les Princes and Sous le Saint Faron parcels, around 50 years old, has dropped. The resulting grapes benefit from deeper, more concentrated aromas.

These clusters with abundant flavour develop a boldly fruity rosé, smooth with a little bite.

ENGAGED WINEMAKER
Vineyard cultivated without synthetic pesticides.

Production information

BLENDING

80% Pinot Noir & 20% Meunier.

Village : CROUTTES-SUR-MARNE, lieu-dit "Sur Saint Faron" 1976 & "Les Princes sous le bois" 1968

HARVEST

Vintage 2020

BOTTLING

1 150 bottles. Bottling the 09/08/2021

WINEMAKING

Meticulously **sorted grapes** from **carefully selected old parcels** are blended to create this full-bodied rosé. It combines Pinot Noir, vinified through **long maceration** at a low temperature in **ovoid concrete tanks**, with Meunier vinified as white wine.

A minimum **3,5 years aging period**, during which bottles are horizontally stacked, makes for a rich aroma and a lovely lingering taste. **Dosage is added in small quantities 3g/L**, to enhance aromas, allowing the vinosity to shine in this naturally fruity champagne.

Tasting

APPEARANCE

Ruby red robe. Diaphanous, sparkling bubbles topped with **generous foam**.

NOSE

The nose is **bold and expressive**, beginning with **morello cherries**. Deeper and alcohol notes echoing the scent of **almond kernels** and **brandied cherries** follow, with **gunflint**.

MOUTH

The result is a **structured and fleshy** champagne. The aromas on the nose are largely confirmed on the palate with notes of cherry embellished by rich blueberry, blackberry and blackcurrant. The **texture is vinous** in the background. The addition of a small amount of dosage amplifies the **aromatic palette of berries**, combined with a constant **freshness**. The finish is a reminiscent epicurean experience.
